

Linking to This Site

We encourage other sites to link to this 15thStep.com website.

15thStep.com provides information about the 15th Step Process, a process that brings together the Inner World and the Outer World so that ordinary people can talk with their personal guides and angels.

In conjunction with the Institute of Thought (IOT) and the Better Life Teaching and Counseling Center (BLTCC), 15thStep.com also provides resources for teaching and counseling based on aspects of transpersonal psychology and mastery training, including hypnotherapy and 15th Step training and certification programs.

If you think your visitors, members or subscribers can use this type of valuable information, please link to us from your site using the instructions below.

If you are unsure how to link to us with a text link, copy the HTML text shown below in bold, and paste it into your web site.

For information on [The 15th Step](http://www.15thStep.com), and resources for teaching and counseling based on aspects of transpersonal psychology and mastery training, including hypnotherapy and 15th Step training and certification programs, visit www.15thStep.com. Here's what the text link will look like on your site.

For information on The 15th Step Process, and resources for teaching and counseling based on aspects of transpersonal psychology and mastery training, including hypnotherapy and 15th Step training and certification programs, visit www.15thStep.com.

Please note the following about the above link and its HTML code:

- We use the target="_blank" statement so that if your visitor clicks on the above link, our site will open in a new window rather than changing the visitor's existing window. Thus, when your visitor is finished looking at our site, all they have to do is close that window and they're right back where they started on your site.
- The phrase "The 15th Step Process" is referred to as a text link. We strongly recommend that you use this text link or, if necessary, another phrase that describes a key aspect of our site or its content.
- Examples of other keyword phrases appropriate for a text link to our site include Information on Transpersonal Psychology, Information on Transpersonal Hypnotherapy, 15th Step Training and Certification, Communication with Guides and Angels, etc.

Thank you for taking the time to link to www.15thStep.com.
